

Montezuma Municipal Light & Power
Energy Efficiency Rebate Program
Residential and Commercial
January 1, 2018 thru December 31, 2018

Beginning January 1, 2018 Montezuma Light & Power will be offering a new Energy Efficiency Rebate program to both its Residential and Commercial Customers.

The rebate program is open to all customers, in good standing, with Montezuma Municipal Light & Power.

All items must meet the guidelines set forth in the rebate program.

Montezuma Municipal Light & Power will have final approval on all rebates.

Montezuma Municipal Light & Power's objective is to encourage, you , our customer, to install energy-efficient measures in existing and new facilities, so that we may continue to hold down the more expensive costs of building or buying ways to meet higher energy demands.

Since the beginning of the Rebate Program In 2010, MMLP Customers have saved over 2,200,000 KWH in Energy

For more information on this program and to pick up an application, please stop in at our office during regular business hours, 8:00 am to 4:00 pm, Monday thru Friday, or give us a call at 623-5102 and we will be happy to answer your questions.

Thank you,
Montezuma Municipal Light & Power
Kevin Kudart , Superintendent

Energy Rebate Application Form

2018

APPLICATION DIRECTIONS:

1. Equipment must be purchased and installed between January 1, 2018 and December 31, 2018 to qualify for the 2018 rebate program.
2. Residence and or Business Building must be owner occupied, no rental units will be rebated. (HVAC units excluded)
3. Application must be turned in no later than 60 days after equipment is installed and operating, application must be complete and signed. All applications over 60 days from installation, uncompleted, unsigned or non energy star rated will be rejected.
4. Attach copy of original sales receipt(s) / invoice(s) / energy star guide, to the rebate application. The receipt(s) must indicate the purchase date, quantity, and price. HVAC rebate information must be completed by installer / dealer.
5. Mail or bring the completed application to: Montezuma Municipal Light and Power Offices. Please allow 4 to 5 weeks for payment.

TERMS AND CONDITIONS

- MMLP does not guarantee that the installation and operation of energy efficiency equipment will result in reduced usage or demand or in cost savings. MMLP makes no warranties, expressed or implied, with respect to any equipment purchased and/or installed, including, but not limited to, any warranty or merchantability or fitness for a particular purpose. In no event shall MMLP be liable for any incidental or consequential damages or injuries resulting from defective equipment or installation.
- MMLP reserves the right to cancel or change these programs at any time.
- MMLP acceptance of this application does not guarantee payment of the incentive.
- Prior to any payment of rebates, MMLP reserves the right to verify sales transactions and installation.
- MMLP will not be responsible for any tax liability that may be imposed on the customer as a result of the payment of rebates.
- MMLP does not endorse any particular manufacturer, product, system design, claim, or retailer in promoting this program.
- \$2500 Rebate Limit Per Customer Per Year
