### Terms and Conditions

- MMNG does not guarantee that the installation and operation of energy efficiency equipment will result in reduced usage or demand or in cost savings. MMNG makes no warranties, expressed or implied, with respect to any equipment purchased and/or installed, including, but not limited to, any warranty or merchantability or fitness for a particular purpose. In no event shall MMNG be liable for any incidental or consequential damages or injuries resulting from defective equipment or installation.
- MMNG reserves the right to cancel or change these programs at any time.
- MMNG's acceptance of this application does not guarantee payment of the incentive.
- Prior to any payment of rebates, MMNG reserves the right to verify sales transactions and installation. MMNG will not be responsible for any tax liability that may be imposed on the customer as a result of the payment of rebates.
- MMNG does not endorse any particular manufacturer, product, system design, or retailer in promoting this program.

**Eligibility:** The primary heating fuel of the building must be supplied by MMNG

Installation must be done by a qualified installer.

Customers may not receive more than one incentive for a weatherization every one year.

Buildings built after January 1, 2001 are not eligible.

Program excludes new construction and/or new additions to your business and excludes all garages, and unheated buildings.

Eligible customers may purchase and install qualifying products and receive a weatherization incentive of up to \$600 per year.

Total incentive will not exceed 70 % of the project cost, including installation, but shall not exceed 70 % of the total project cost.
